

Download a computer-generated transcript

You can download a copy of the event transcript as a .TXT file. Generated transcripts are available within 24 hours of a Live event ending (and being archived) or a recorded event being published.

Note: You can only download the most recently published version of the transcript. You can't download previous versions.

To download a copy of an event transcript:

1. Sign in to the Webcast Admin portal and edit the event.
2. On the Event Summary tab, in the Event Details section under Transcription, click **Download Transcript**.
