Advanced Branding (3 mins)

Get that custom look for your webcast event easily by choosing from several types of registration page layouts, and adding your logo, branding colors and background. In this video, you'll learn where to access branding options, upload logos, change registration page layout and background, update your branding colors and save and preview your changes.

Open Layout Branding Demo (2 mins)

We'll show you how to get this open layout look for your own webcast event registration page in 4 easy steps.
